Temporary Membership

Any new gymnast wanting to try our classes will need to become a temporary member of the Clevedon Gymnastic and Leisure Club.

Temporary membership lasts for two lessons and is charged at our normal lesson rates. The temporary membership fee must be paid in full before the new gymnast attends a class otherwise they will not be covered by the British Gymnastics' insurance. The fee can be paid to your child's coach by cheque (made payable to CGLC) or in cash.

After the trial period your child will be invited to join the club as a permanent member. At joining, you will need to pay the British Gymnastics' insurance fee and the Club membership fee.

For the duration of your child's trial period they can attend sessions in any suitable attire. This could be for example, a leotard or a vest top with cycling shorts. If they wish to join the club permanently after their temporary membership expires, you will need to purchase and wear the club training uniform. Even as a temporary member, they need to wear their hair up in a ponytail or a bun for each session, and they must not wear any jewellery, including stud earrings.

Please also ensure that they bring a bottle of water to all sessions.

Please feel free to talk to your child's coach if you have any enquiries about your gymnastics, their temporary membership or the club in general.

We do hope that your child enjoys their time with us and we are keen for them to join us permanently after their temporary membership expires. We also hope that you as a parent or a guardian are pleased with the club and our practises and look forward to hearing any comments you may have on our activities.

See you at the gym!
